THANK YOU FOR YOUR INTEREST IN OUR 2023 EVENTS

We want to thank all our amazing charity partners who joined us across the 2023 Event Season.

It's been a fantastic year, and we are so pleased to see the Great Run Series bouncing back to pre-covid levels, both in participation numbers and fundraising.

We are looking forward to our 2024 season, and hope you choose to partner with us to support your fundraising goals.

We have maintained our 2020 prices for the majority of partner packages, ensuring that your fundraising ROI will be maximised through a partnership with us. We are also offering a limited time Early Bird price, with a discount of around 15% on our standard entry prices – an offer available for all charity partners who are able to book places before 20th November.

This Charity Prospectus gives you details of all our 2024 events. Each event has a range of different partnership opportunities, which we hope are suitable for all your fundraising objectives.

CHARITY MANAGEMENT

OFFICIAL ONLINE FUNDRAISING PARTNER

WHY SHOULD YOUR CHARITY AND PARTICIPANTS USE ENTHUSE?

Enthuse is the official online fundraising partner of Great Run, providing fundraising and donations technology. Enthuse supports each Great Run event with an official branded platform to provide the best experience for charities and participants.

Enthuse runs with your charity from start to finish:

- From day one, fundraising page creation is integrated with event registration meaning participants can start fundraising straight away for your charity. And you can focus your time on helping them raise money rather than setting up pages.
- Throughout the build up and after the event, branded fundraising pages put your charity front and centre.
- On the day, Enthuse fundraising pages are exclusively integrated into the Great Run app allowing donations to be made directly to a participant's fundraising page via their tracking profile.

Enthuse solutions are customised under a cause's own brand and put your organisation in control of the data. This allows your charity to build and nurture a loyal supporter base, raise more and ultimately have more impact.

The Great South Run is the only major 10 mile running event in Europe. It has sold out to capacity ever year since the first event in 1985. The fast flat course, stunning event location and the support of the cheering crowds make this event very popular with first time runners and charity fundraisers.

We are keen to develop new charity partnerships with the Great South Run in 2024, as we are confident the event will reach capacity early.

We are offering an early bird discount on our entry price to all our charity partners who book now, but please note this is a limited time offer and prices will increase after the 20th November deadline.

TERMS & CONDITIONS

1. All charities must acknowledge and adhere to the specified dates and deadlines for the return of all charity correspondence.
2. The closing date for the reservation of charity level packages is Monday 20th November 2023.
3. Due to demand for entries, Great Run cannot guarantee charities will be allocated the same number of entries as in 2023. Any charity that has found difficulty in filling their entry allocation in the past may be asked to reduce their entries in 2024.
4. All submissions for entries and packages are requests only and charities will be notified week ending 24th November 2023 whether they have been successful or not. All decisions are final.
5. Payment of package and entry fees are to be made payable to Nova International Ltd and are due 30 days net from date of invoice.
6. The details of the packages are as stated; and are non-negotiable. Once payment has been made no refunds to the charity will be permissible.
7. The Great Run Company will commence activating the online management system on receipt of package payment.
8. The online management system gives all charities 100% flexibility in managing their entries until the pre-set closing dates for each event. This closing date will be announced in January 2024. Once entries have been submitted after the closing date no swapping of race numbers or transfer of entries is allowed. Any charity found to be doing so would be contravening their involvement with the event and the organisers would take relevant action.

9. Each charity must ensure their participants are informed about the importance of training and seeking medical advice before undertaking a training programme.
10. Each charity is required to ensure that participants who are unable to take part in their event once the closing date has passed are advised of the withdrawal procedure as set by the event organisers.
11. An invoice will be raised detailing the package and number of entries requested. Payment is due as per applicable deadlines. Refunds cannot be made for any unallocated entries, nor can places be rolled over to the following year.
12. Any charities with a number of Great North Run entries remaining unallocated by a date to be announced in January 2024 will be asked to enter the clearing system. The Great Run Company will then endeavour to reallocate those entries to a charity with spare capacity. The payment for transfer of entries will be between the charities involved.
13. Any charity that has requested a Platinum, Gold, Silver or Bronze+ package (GNR only) will be sent further details regarding the Charity Village at a later date. The Great Run Company reserves the right to make changes to the Charity Village should any be required for health and safety or logistical reasons.
14. Charities must ensure that they have appropriate systems and procedures in place to ensure the security of participants' personal data from unauthorised processing.
15. Charities must ensure that they have appropriate consent from each participant to share personal details (name and email address) with Great Run so that Great Run can email the participant in order to fulfil their event entry.
