GREAT SWIM SERIES
KEY DEMOGRAPHICS
Since its first event in 2009, The John West Great Swim Series has grown into the largest open water swimming event series in the UK. With 22,000 competitors and 50,000 spectators, the series aims to challenge, engage and activate swimmers of all levels.

Our mission is to create challenging events, which engage communities, generate significant local economic impact, promote health and fitness and support charity fundraising.

Our Swims offer people of all abilities the chance to get active and and raise thousands of pounds for charity.

We encourage people, young and old, to get fit and active – supporting them to lead healthier and happier lives. We make a positive difference to cities, local communities and individuals – we make them FEEL GREAT.

TERMS & CONDITIONS

1. All charities must acknowledge and adhere to the specified dates and deadlines for the return of all charity correspondence.

2. The closing date for the reservation of charity level packages is Friday 11 October 2019.

3. All submissions for entries and packages are requests only and charities will be notified week ending 18 October 2019 whether they have been successful or not. All decisions are final.

4. Payment of package and entry fees are to be made payable to Nova International Ltd and are due 30 days net from date of invoice.

5. The details of the packages are as stated; and are non-negotiable. Once payment has been made no refunds to the charity will be permissible.

6. The Great Run Company will commence activating the online management system on receipt of package payment.

7. The online management system gives all charities 100% flexibility in managing their entries until the pre-set closing dates for each event. This closing date will be announced in January 2020. Once entries have been submitted after the closing date no swapping of race numbers or transfer of entries is allowed. Any charity found to be doing so would be contravening their involvement with the event and the organisers would take relevant action.

8. Each charity must ensure their participants are informed about the importance of training and seeking medical advice before undertaking a training programme.

9. An invoice will be raised detailing the package and number of entries requested. Payment is due as per applicable deadlines. Refunds cannot be made for any unallocated entries, nor can places be rolled over to the following year.

10. Charities must ensure that they have appropriate systems and procedures in place to ensure the security of participants’ personal data from unauthorised processing.
